Judges Training—40 Chromosome Siberian Iris

by Patrick Spence
June 2nd, 2018, 1:00pm—3:00pm

Once in a lifetime!

Never before seen!

A death defying feat not for the faint of heart!

Okay—that might be overkill. Still... we have 300 or so Sino-Siberian seedlings in 3-year clumps. No need to be a judge to attend. Learn about these rare and unusual irises. AIS Judges will receive 2 hours of In-Garden Judges Training credit.

Lunch will be provided, so please RSVP to Patrick. It will be provided even if you don't, so come anyway. Patrick loves to BBQ, so something will go on the grill. If you want to bring a salad or dessert, that would be appreciated, but it's certainly not required.

RSVP at Patrick@CascadiaIrisGardens.com or 425-770-5984
