

Iris 101 - The World of Irises

An introduction to the wonderful variety in the world of irises

If you can attend only one of our classes this year, this is the one!

- ⇒ *Bearded Iris, Beardless Iris, or those unique Crested iris?*
- ⇒ *The most modern hybrids, the Species as you could find them around the world, or something in-between?*
- ⇒ *Hybrids between completely unrelated species?*
- ⇒ *We will introduce you to them all!*

Learn the cultural requirements of each type of iris including light, water, soils, and pest control. Discover how to use irises to achieve year-round bloom in your garden. Tour the gardens with Patrick to get an in-depth look at the variety of irises available.

Bring a lunch and join us for a picnic after the class is over.
